with **PURPOSE** meets needs  
through Christian Compassion

The pandemic has certainly given all of us the opportunity to slow down and think about our priorities and purpose in this world. As a Christian outreach ministry, we recommitted ourselves to our purpose in Christ and found amazing opportunities to show and share God's grace.

George and Stephanie, co-owners of **Savory Salads**, wanted to alleviate food insecurity. Many people were isolated, scared and sheltering in place, unable to leave their homes. They asked if we could deliver meals with a message of hope and a word of prayer. **We said, YES!** and we delivered over 1,000 meals.

When asked if we could provide beds for 10 boys living at the **In Zone Project**, **We said, YES!** Within two days, an anonymous donor provided all the funding needed. The boys, instead of living on the violent streets of Chicago, began their new life with the dignity of a decent bed.

**Community Partners for Affordable Housing** reached out, wondering if we could help. Newly released inmates from the Illinois Department of Corrections were walking into empty apartments, without a bed or even a pillow. Imagine trying to begin a new life without a pot or pan, dish or spoon. **We said, YES!** — compelled to share Christ's compassion.

Encourage Christian compassion and sponsor the next opportunity to show and share God's grace in your community. Say **YES!** with **PURPOSE!**
